

Dear Parents,

As a school, we are excited to announce that we have just signed up to Times Tables Rock Stars for all Key Stage 2 children. For those of you who haven't heard of it, it is a maths-based programme that focuses on developing children's knowledge and understanding of their times tables.

Rock Star Dress Up Day!

On **Thursday 22nd September**, we will be having a launch day in school as a way to kick start the use of TTRock Stars. As part of the launch, we are inviting all Key Stage 2 pupils and staff to attend school dressed up as a rock star!

You may have some ideas of how your child could dress up for the day. Please do not buy expensive outfits, we have given some simple ideas for inspiration below and with gelled/back-combed hair, pair of sunglasses or a black t-shirt and jeans - the rock star look is complete!

We hope this will be a day to remember and will engage all children to use Times Table Rock Stars in and out of school.

We look forward to seeing you and your amazing rock star outfits next Thursday.

Kind regards,

Mrs Brech

Maths Lead
