

May 2018

Dear Parents & Carers

As you may know, we use a scheme of work called "Jigsaw" to support the teaching of our Personal, Social and Health Education. Each term has a different theme and you will have seen these themes detailed in the topic webs that have been sent out at the beginning of each term and they are also available on the school website, in the section for each phase.

This half term we will be exploring the theme of "Change". This will include; life cycles, body changes, and preparing for moving to the next year group in September. It will of course have content appropriate to each year group and will be taught differently according to the age of the class.

Please find attached to this letter an overview of the learning intentions from the scheme. This is also available on the website.

Please take the time to read through the scheme of work for your child's year group.

We have been using the scheme for a couple of years now and have found it be extremely good at supporting us in our PSHE teaching, however, if you wish to withdraw your child from this part of the curriculum, please telephone the office by Monday 4<sup>th</sup> June to make an appointment to discuss the reasons with me.

If you have any further questions, please do not hesitate to contact the class teacher or Phase Leader.

Yours sincerely

Mrs A Fox  
Headteacher
