

26th April 2019

Dear Parents,

Help us receive a share of up to £3,000 funding for our school!

We recently applied to be included in the Greenredeem points scheme and we are pleased to say that our application was successful! The school is now listed on the 'spend your points' section of the Greenredeem website. All you need to do is register at www.greenredeem.co.uk/rbwm and you can start collecting and donating points to the school. For every new resident that signs up, they will receive up to 150 points which you can donate to our school to get the ball rolling! Through recycling at home and taking other green actions you can earn points to be donated and can also get money off at local shops and restaurants or even win some great prizes.

The donations scheme runs until 30th June 2019 so there's plenty of time to get donating!

We would like to spend the funding on *resources to support our outdoor learning*.

Please sign up today, spread the word and get donating!

If you have any questions, please do not hesitate to contact me.

Kind regards,

Miss Matthews

Eco / Sustainability Leader
