

Dear Parents

What a lovely couple of weeks. We had great fun making firework pictures using paint and chalk and even drew them whilst listening to Mozart. The children have enjoyed going on a walk this week looking for any signs of Autumn. Please feel free to spend some in the garden this weekend to see if you can spot anything that tells us it is Autumn.

On Wednesday we completed a guided piece of writing which involved labelling the different Paw Patrol characters. As you can imagine this was a great hit and Miss Hooker and Miss Clark were very impressed with the children's progress in hearing the sounds.

We are working very hard at practising forming our letters correctly. Please could we ask if you do any writing at home that the children are starting in the correct place and only using lower case letters.

In Maths, we have started to work out ways of making different numbers. The children particularly enjoyed using the Numicon to do this.

Next week's theme - Diwali

Have a lovely weekend

The EYFS Team

P.S Do not forget to look on Twitter at what we have been up to this week.
