

Year 6 Home Tasks week beginning 16.11.20

Hello again Y6! It was so lovely to hear that you're all working hard at home in these very strange times! We're so proud of you all. This week's activities are on the school website in the 'Our Learning' section under 'Home Learning'. They are what we would have been doing in class, but have been adapted slightly. If you have any questions, please contact the school. We have set out a timetable that may help you structure your day. Of course, please work how you feel is best for you!

Monday	Topic (Anne Frank fact file), Maths (adding fractions)
Tuesday	Topic (Anne Frank letter), VIPERS, Spelling
Wednesday	Maths (subtracting fractions), Science (Light), Spanish
Thursday	Topic (Battle of Britain), VIPERS, SPaG
Friday	Topic (Battle of Britain), Maths (adding and subtracting fractions)

Science—Light

As you know, we have started our new topic 'Light'. This week, we would like you to think about how light helps us to see.

1. On the school website, there is a light source sorting activity. Draw a table with 2 columns in your Homework Book, with the headings: **LIGHT SOURCES / APPEAR TO BE LIGHT SOURCES**. You then need to sort the sources into the two groups.

2. Now, watch these 3 videos:

<https://www.bbc.co.uk/bitesize/topics/zbssgk7/articles/z2s4xfr>
<https://www.bbc.co.uk/bitesize/topics/zbssgk7/articles/zqdx82>
<https://www.bbc.co.uk/bitesize/topics/zbssgk7/articles/zp7f8mn>

Once you have watched them, have a go at completing the light source activity sheet. Please cut each of the pictures out and stick them in your Homework Book.

Topic

Monday: Anne Frank fact file

As part of our 'We'll Meet Again' topic, we are looking at who Anne Frank was. We would like you to create a fact file about Anne Frank in your book. Maybe you could include:

- What she was famous for?
- How old was she? (born and died)
- Who her family were and where did they live?

Tuesday: Letter to Anne Frank

Today, we would like to write a letter to Anne Frank. Have a look at the photos and the diary excerpts on the school website. You are going to tell her what your thoughts are on what you have read. You could include:

- How it has added to your understanding of WW2
- How you can relate to her (needing personal space)
- How the diary made you feel

Thursday: What was the Battle of Britain?

Today, spend some time researching the Battle of Britain. Make notes in your books. Think about what it was who was involved?

You can watch the following video: (from 1m18s to 9m24s)
<https://www.youtube.com/watch?v=6JB3bgzLCA0&safe=true>

And have a look at the following website:
<https://battleofbritain.rafa.org.uk/the-battle/>

Friday: Battle of Britain

Please complete the **Battle of Britain key facts sheet** (stick in your books) and the **Eye Witness Account activity** (write in your books). Have a listen to the following to help you:
<https://www.battleofbritainmemorial.org/news-and-events/news/>

Spanish: Hobbies

Have a look and see if you can match the pictures of popular hobbies to the Spanish words. Try your best, we haven't looked at hobbies yet in class. Worksheet is on the school website.

Spelling: -able endings where the root word ends in 'e'

Please complete the activities on the school website:

- Look, cover, write, check (to be done in your book)
- Letter shape spellings (on the sheet)
- 5 sentences using 5 of your -able spellings (in book)

SPaG: synonyms & antonyms

Have a look at the PowerPoint presentation on the website. There are questions on there for you to answer in your book.

Maths

We are continuing with our fractions work this week and focusing on adding and subtracting fractions.

Monday: adding fractions

Watch this short video about adding fractions with the same denominator up to 1m 55s:

<https://www.youtube.com/watch?v=mO53rHElQr4&safe=true>

Now, watch this video about adding fractions with different denominators.:

https://www.youtube.com/watch?v=ULl0f_3cA_o&safe=true

Remember—we have learnt about common factors and common multiples before half term.

Please answer all the **fraction addition questions** on worksheets #1 and #2 in the Home Learning section.

Wednesday: subtracting fractions

Watch this video about subtracting fractions:

<https://www.youtube.com/watch?v=c5dNa2TVHiQ&safe=true>

Please answer all the **fraction subtraction questions** on worksheets #1 and #2 in the Home Learning section.

Friday: adding and subtracting fractions

Have a go at the **fractions word problem** sheet. Take your time, read the questions carefully—you can do it!
