

 Meet... 'Sammi'  

On Monday 22nd June we will be starting 'The Caring Snake Of Wraysbury and Horton'

The sign and start of Sammi will be placed on the grass, to the right of the front gate at Wraysbury Primary School (see picture below)

Please come along and add your decorated rocks to make Sammi grow - the funkier the better! Medium/ large rocks are seen better in the grass too and are sold in Hobbycraft if you don't have any in the garden! It will run until the end of term so please leave your rocks there until then.

This is open to everyone so please get involved and I'll keep the group updated with pictures.

The ones below are an example of how Sammi will work from another group.

Have fun!! I can't wait to see your creations  xxx
