Year 6 Revision Guides

Dear Parents and Carers of Year 6,

As you are aware our End of Key Stage 2 Assessments take place in May and many of you often ask what you can do at home to help your child and of course, daily reading and supporting with homework is the best place to start.

However, in response to the many queries we have had we would like to offer you the chance to purchase some helpful revision books which cover all of the objectives and expectations for the end of key stage tests.

Each book contains clear, colourful study notes and step-by-step worked examples, and there are practice questions to test their understanding at the end of each section (with answers included).

If you are interested please complete the form below and enclose money by Friday 18th January 2019.

Many thanks for your continued support,

Miss D Whitrod
 UKS2 Leader
