

Dear Headteacher/Year 5 Teacher

I am writing to you on behalf of the Slough Consortium of Grammar Schools as children from your school have been offered a place in one of the four grammar schools in Slough this year, so we know that there is interest in our schools from your parents.

If you are able to, we would be grateful if you could share the following information with parents of children currently in Year 5 as they may not be aware of the information from the usual sources.

### **Slough Consortium of Grammar Schools – 11+ entrance examination for 2021 entry**

Due to the current school closures, we have not been able to hold the usual 11+ information evenings which were due to be held in late April/early May. These evenings would have explained the admissions process for entry to Year 7 in September 2021.

A presentation setting out the process for the 11+ examination can be found on YouTube at <https://youtu.be/FOEe1IG0Ky0>.

Registration for the 11+ examination opened on Friday 1st May and will close at midnight on Sunday 14th June 2020. Late applications will not be accepted.

To register for the Slough Consortium 11+ examination please go to the consortium website at <https://www.sloughconsortium.org.uk/>

Many thanks for your help in this matter.

Regards

Mrs Jackson
