

# **Parking in the Staff Car** **Park/School Driveway**

**This is a reminder that parents/carers must not drop off or park in the School Driveway or Staff Car Park.**

**The only exceptions are parents with permission due to a disability, parents dropping at Gap Club before 8.15 or collecting from Gap Club after 4.00 or those attending evening meetings.**

**Stopping in the driveway causes an obstruction, blocks the view of the zebra crossing and endangers our children.**

**Thank You.**
