

Wraysbury Primary School Remembers

On Monday 12th November we will be holding our Act of Remembrance during the school day with a special assembly for the children. We will be remembering all those who have lost their lives in conflict, but particularly in the First World War.

We will have an exhibition of the work we have produced in the School Hall after school from 3.10-3.45. Do come and look at their work with your child.

We will be bringing poppies around to all classrooms daily from **Monday 5th November** for children to have the opportunity to purchase a poppy

(we are asking for minimum donation of 50p).
