

School Recorder Lessons with Berkshire Music Trust

Dear Parent/Carer,

You may already have heard that your child is learning to play the recorder this year as part of the government-sponsored In2Music project for key stage 2. Recorders are provided free of charge for all children to use in school. However, if you would like to buy your own recorder, we can supply them at a special reduced price of £8 using the coupon code project r. (usual price £9)

If possible, we would encourage everyone to have their own instrument, as children who are able to take their instruments home and practise between their lessons gain the most from the project. These recorders are quality instruments which hold their tune, unlike some cheaper toy versions widely available.

If you would like to buy a recorder, please follow the link below.

<https://berkshiremaestros.org.uk/product/aulos-303n-descant-recorder>

Please use the coupon code 'Project r' and put your child's name and school in the order comments. We will arrange free delivery directly to your child's school.

If you have any problems, please contact us, rather than your child's school, and we will endeavour to assist.

With best wishes,
Berkshire Music Trust Resources Department
