

Where does our food come from? Year 4 - Summer

**Geographical
knowledge**

To understand where our food comes from and consider the impact of sourcing food locally and globally.

By the end of the unit, I will be able to...

explain the impact of food choices on the environment.

understand the importance of trading responsibly.

describe the journey of a cocoa bean.

map and calculate the distance food has travelled.

design and use data collection methods to find where our food comes from.

discuss the advantages and disadvantages of buying both locally and imported food.
