P.E. and School Sport 2018-19

P.E. and School Sport are intrical parts of our whole school curriculum and every year we try to develop and provide more opportunities for all Wraysbury Primary School children. Last year more children have had different opportunities to develop and use their sports skills, we have embedded Yoga more into our P.E. curriculum, and we have started to develop a greater focus on Health and Wellbeing with the Active Me Programme that was delivered by Hannah from the Windsor School Sports Partnership. The Daily Mile is a firm fixture now across the whole school with children from different year groups going out at different times throughout the day in order to improve their physical fitness, and also to help the children's concentration and focus during the school day.

Our subscription to the Windsor School Sport Partnership has once again had a huge impact on the opportunities we have been able to give the children. Mark, Graeme, Hannah, Harry and Chantal have helped every year group across the school through The Partnership's events and activities.

Below are just some of the highlights of the year.

Back in September our Year 6 Sports Ambassadors and House Captains were elected or interviewed and were sent on a day's training at Windsor Boy's School. They have then used the skills and experiences to help run National Fitness Day in September, and both the Sports Days in June.

As a result of their Dance coaching in the Autumn term, some Y5's took part in the Windsor Schools' Dance Festival at The Windsor Boy's School. Mrs Stack and 35 of the Y5 children worked incredibly hard on perfecting their "Dance through the Ages". They absolutely smashed it at the Festival with crisp movement, great musicality and superb timing!

Mark, Graeme and Harry came into P.E. lessons across the year, coaching alongside the class teachers. They have delivered coaching in Dance, Gym, Rugby and Leadership, as well as helping us to deliver some of our Intra House competitions in Football, Scatterball and Cricket.

Our competition calendar was very full throughout the year. Every year group took part in an Intra House Sporting Competition, be it Scatter Ball or Cricket. A massive CONGRATULATIONS goes to **Water**, who won the House Cup with a huge **4427** points which they gained from all the Intra House Competitions and both the Sports Days in the summer term.

Level 2 Competitions were run by the Sports Partnership, giving our children the opportunity to compete against other schools across Windsor. We have competed in Football, Dodgeball, Benchball, Netball, Tag Rugby and Tennis. The two highlights from these competitions would have to be winning the Y5 and 6 Dodgeball competition and four of our Y6 children being selected to represent Windsor at the Berkshire School Summer Games Orange Tennis Competition in June. Well done and congratulations to all children who have represented Wraysbury so well!

And finally... as you may have seen from our Twitter Feed (@wraysburyschool) we were notified in the last week of term that for the 4th consecutive year we have been awarded the School Games Silver Award for our commitment to P.E. and Competitive School Sport. Well done to everyone who helped us to achieve this once again and we are looking forward to continued success this year!
