

Rocks

Year 3-Summer 1

Scientific knowledge

- Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties.
- Describe in simple terms how fossils are formed when things that have lived are trapped within rock.
- Recognise that soils are made from rocks and organic matter.

By the end of the unit, I will be able to...

To observe how rocks change over time

Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties

Devise a test to investigate the hardness of a range of rocks

Recognise that soils are made from rocks and organic matter.

Describe in simple terms how fossils are formed when things that have lived are trapped within rock
