8th January 2019

Year 5 Reading Vipers Session

Dear Parents and Carers of Year 5,

In KS2 we develop children's reading skills through whole class reading sessions. These focus on more than just reading the words on the page but on the children's understanding of the focus text. The children know this lesson as Reading Vipers, as it focuses on developing different reading skills.

As part of children's daily reading that they do at home we do ask that you talk to your child about what they have read and ask them questions. However, I know that it can difficult to determine whether you are asking the right sort of questions or that the children are giving you the correct responses.

Therefore, I would like to invite you in to school to observe a Reading Vipers lesson in your son or daughter's class. This will enable you to see how we engage the children in reading and the questions and responses that help us to further your child's reading skills.

If you are interested in attending then please complete the form below by Monday 14th January 2019 and I will then be back in touch with dates and times.

Many thanks for your continued support,

Miss D Whitrod
UKS2 Leader
