BREAKFAST CLUBS

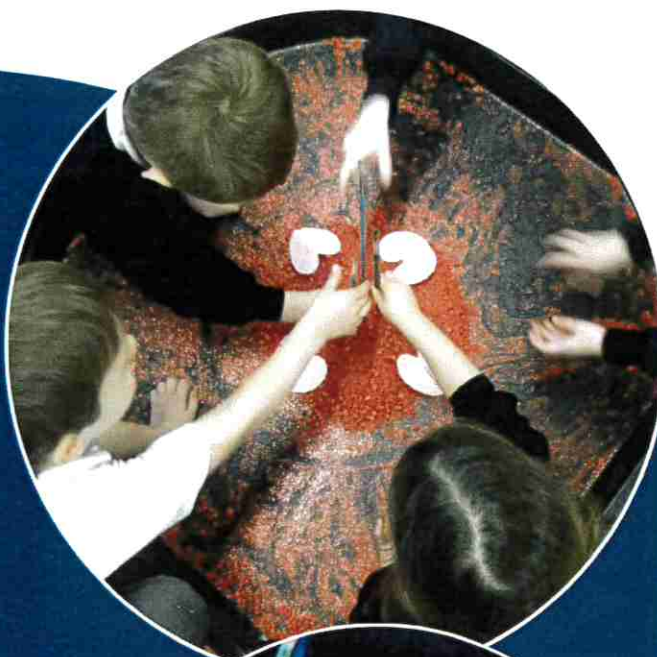

AFTER SCHOOL CLUBS

Our Breakfast Club ensures that children start their day in the right way while providing parents with a head start on their day. Our healthy, balanced and nutritious breakfast is coupled with our engaging yet calm and mindful environment to ensure that children are energised and ready for their busy day ahead at school. They are a social occasion that actively supports independence as the children make their own breakfast choices and serve themselves with the support of our staff.

Our After School Club is engaging, fun and welcoming for children at the end of the school day. Children benefit from a happy and warm environment which offers a wide range of play based activities adapted for all ages. We also provide a well balanced and healthy snack after a day's learning at school. Within the setting, our play zones ensure that there is something on offer for everyone as well as enabling children to be independent, socialable and learn, play and achieve through creativity, curiosity, challenge and collaboration.
