Dear Parents and Carers

By now, you are probably aware that new data protection laws will take effect from today, which means that we will be reviewing our data arrangements and procedures over the coming weeks and months.

To reflect the changes in the new data regulations (GDPR) we have updated our Privacy Notices and, for your information, the Privacy Notice for parents and carers is attached.

Please be assured we are committed to protecting your privacy and have always handled your data with care. This updated Privacy Notice will make it easier for you to understand how and why we collect your child's personal data.

If you require any further information about the GDPR please email wraysbury@rbwm.org.uk.

Regards
