

## Welcome back to School Year 1!

Dear Parents and Y1 Pupils

We are really looking forward to seeing you on Monday 8th June. Some things will have stayed the same, but some things will be different. We have written some information and a checklist so that you know what to expect from Monday but do please bear with us as things often change.

### Organisation:

- As a School we have to split the children into bubbles. There will be 2 Year 1 bubbles (as well as our Reception, Y6 and Key Worker Bubbles)
- There will be 2 or 3 members of staff with each bubble;
  - Mrs Broadway and Miss Alexander
  - Miss Wise and Miss Croft

We will tell you which bubble you are in on Monday at the gate.

Break and Lunchtime will be in the same bubbles with the same adults

- There will be a rota for the areas of the school you can play in
- Break time will be 10.30
- Lunchtimes will be 12.00 for an hour.

### Beginning and End of the school day:

- An adult must bring their child to the gate and answer the Health and Safety Questions
  - The gate you use will always be the same and is alphabetical by surname. This is to spread families out.
    - A-H Side gate (front of the school)
    - I-P The George Gate (double width gate)
    - Q-Z Waylands (double width gate)
    - Minibus children will enter and exit through Waylands. It may be the Borough Minibus from Monday rather than the school one.
- TBC.

Children should be in their classroom for the register at 9.00 am. The gates will be open from 8.40. The children will finish at 3.00.

- The teachers will use ongoing continual assessment of the children as an integral part of daily teaching in order to plan for and teach areas where there may be gaps in learning
- We are delighted to hear of activities that the children have done at home, **but please do not bring any work back to school.**
