

Friday 15th March 2019

Dear Parents/Carers

**Parent Conferences for Y6 Parents and Pupils**  
**Monday 25th March 2019 8.15am-9.15am 2.00-3.50pm**  
**Thursday 28th March 2019 8.15am-9.05am 2.00-3.30pm**

We have scheduled a further opportunity for you **AND** your child to come and meet with your child's teacher(s) to discuss their progress. The aim of the meeting is:

- to discuss **with you and your child**, how your child has performed in assessments; both the more formal assessments and informal assessments that take place on a daily basis
- for **your child** to show you examples of their work and the assessments that we have carried out
- to talk **together** about targets that we have set with your child
- to talk **together** about how your child can make progress and how **they feel they can be helped** to improve their learning especially as we head towards their SATs

As you can see this is a very important **Parent, Teacher and Child** Conference and it is a valuable opportunity to discuss progress and attainment. All appointments will take place in the **Library or Conference Room** so **please come in the front door and wait in the Reception area.**

We are asking you to make your appointment online by **9.30 on Wednesday 20th March.**

We really hope that you will be able to come and meet with your child's teachers for this very important meeting. We trust you will find it useful and informative. If you have any particular questions about your child's learning or areas that you would like support with please indicate them below and we will try and find a way of supporting you.

Yours sincerely

Alison Fox  
Headteacher
