Key priorities 2024-2025

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Provide lunchtime sport sessions/activities for pupils with a Sports Coach	Lunchtime supervisors / teaching staff, coaches - as they need to lead the activity Pupils – as they will take part in physical activity	Key indicator 1 -The engagement of all pupils in regular physical activity Key Indicator 3 – Increased confidence, knowledge and skills of staff	Most children meet the active 30 minutes goal. Structured football games and skills coaching enables a higher number of children to engage and take part in sport activities during lunchtimes.	£7,840 – Sports Coach
Support the funding of running a school minibus to enable all children to attend competitive opportunities hosted at sites over 5 miles away	Pupils	Key Indicator 2 – The profile of PE and sport is raised across the school as a tool for whole-school improvement. Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils Key indicator 5: Increased participation in competitive sport.	Children more interested in competitive PE opportunities in the local community. Many children want to take part in competitive opportunities against other schools	£1698
Actively engage with the WSSP in order to increase participation in competitive sports	Pupils	Key indicator 1 -The engagement of all pupils in regular physical activity Key indicator 4: Broader experience of a range of sports and activities offered to all pupils. Key indicator 5: Increased participation in competitive sport.	Competition calendar will be set for future years and could be replicated. Intra house activities/competition formats are in place with all pupils taking part in 3 intra house competitions throughout the year. SLA would need to be paid from school budget	£7500 WSSP SLA

Swimming Data 2024-2025

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 meters?	92%	
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	92%	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	100%	Although one of the children could not sustain 25 meters and a range of strokes, they were able to get themselves safely from the middle of the pool to the safety of the side and then climb out. We value this highly due to our proximity to the River Thames and multiple gravel pit lakes.
