

Harvest Celebrations Years 1 and 2 Only

This year we shall be holding our Harvest Celebrations at St. Andrew's Church, Wraysbury on **Wednesday 20th October** starting at **2.00pm** and finishing by approximately **2.40pm**. **Please note that it is an afternoon celebration by Year 1 and 2 only!** The children will walk in classes from the school to the Church with school staff and will return to school in the same way, so you can pick them up from their classroom in the usual way.

We would love you to come and join us at the Church, but please be aware that it does get very full and many people have to stand. You may therefore feel it is better not to bring younger siblings. If you do bring a younger child please do **not** bring pushchairs or buggies into the Church. Please park them outside.

Can we also ask that you allow us to seat the children first and so please wait **outside** the Church until all the children are seated and then occupy the back pews and side pews initially.

This year the School Council have discussed some worthy causes and have chosen to support The Trussle Trust. Look out for more information from the School Council soon on our Appeal.

Thank you for your support.
