Dear Parents and Carers

Year 6 Permission to Walk Home Independently

I expect that you are finding it hard to believe that your child is in their final year of primary school! As such I am aware that many of you are planning how to support them in becoming more independent as they prepare for transition to secondary school.

As a school we actively encourage developing independence but would wish to ensure the safety of all our children and take "home-time" very seriously. We therefore have a gate pass system so that it is easier for all of our staff to know which pupils have your permission to walk home on their own.

If you would like us to issue your child with a gate pass for the end of the day, then please complete the attached slip and return it to the class teacher or school office. We will then issue them with a pass to show at the school gate so that they can be allowed to leave without a parent present.

Please note that we cannot however let a Year 6 pupil collect a younger sibling to take them home with them. This is a privilege for Year 6 pupils only. Gate passes will be operational from Monday 6th September as long as they bring this slip in by the 6th.

If a child loses a gate pass we will replace it with a temporary one for that day but please email the school and confirm that you do want us to reissue a permanent one.

Yours sincerely

Mrs A Fox
