

Year 6 Home Tasks for Wednesday to Friday

Hello Y6! We hope that you are all well and keeping yourselves as active as possible. Here are some tasks for you to complete this week. You should aim to have the tasks completed by Friday. We will also be in touch over the next couple of weeks to see how you are. If you have any questions or you do not understand something, please contact the school and we will get back to you. Keep checking the school website for any updates.

TOPIC

This term sees the start of our new Topic '**We'll Meet Again**' which explores World War 2. We would like you to research who the Allied and Axis Powers were and the different countries they controlled. Watch the short video clip up to 1m 52s.

<https://www.bbc.co.uk/teach/class-clips-video/history-ks2-geography-of-world-war-two/zv99rj6>

Please complete the Allied & Axis colouring activity sheet that is on the school website.

VIPERS—continue to read **Friend or Foe** and answer the VIPERS questions sent home.

Hello Y6 Mathematicians!

We have now moved onto our next unit in maths: Fractions! Do not be scared by them. After a little practice, you will all be Fraction Champions! This week we will focus on **simplifying, comparing and ordering fractions**.

Wednesday - Simplifying Fractions: Watch the short video

<https://whiterosemaths.com/homelearning/year-6/week-8-number-fractions/>

Once you have watched it, please complete the Simplify Fractions worksheet which can be found on the school website. You can choose to complete the answers on the sheet or in your Homework Book. If you'd like to, there is a colour by number activity as well (please see school website)

Thursday - Compare and order Fractions (denominator): Watch the short video

<https://whiterosemaths.com/homelearning/year-6/week-9-number-fractions/>

Worksheet can be found on website. Please complete on the sheet or in your Homework Book.

Friday—Compare and order Fractions (numerator): Watch the short video

<https://whiterosemaths.com/homelearning/year-6/week-9-number-fractions/>

Worksheet can be found on website. Again, this can be completed on the sheet or in your Homework Book.
