

Year 5 Home Tasks for w/c 13.07.30 and 20.07.20

Check in to Doodlemaths daily and complete any tasks set.

(Not all in one go!)

Any problems, contact Doodlemaths directly.

Keep going with the Summer reading challenge Year 5 – all of the details are on the website! We have also attached a book review so that you can bring it in and recommend books to your friends in September!

As a school we use White Rose Maths materials to support our teaching. They have kindly created lessons for you to use at home. Each lesson features a short video presentation. **The activities are not available on the website but in the Year 5 Home Learning area, there will be activities relating to each lesson.**

Please attempt: **SUMMER TERM WEEK 7 w/c 8/6/20**
(Don't worry about the dates)

<https://whiterosemaths.com/homelearning/year-5/>

Hey Buddy!

Please make sure you send us your letter for your new buddies if you haven't already! Some of the letters we have received are lovely!

As you know, this year we have created a Year 6 'buddy' scheme, pairing our Year 6 children with our Foundation Stage children. We are carrying this on next year so all of you will be **BUDDIES IN SEPTEMBER!**

We would like you to write a letter, or postcard for your new buddies– introducing yourself to them, telling them all about school life and what you might do to help them settle in.

English:

Please work through the activities in the Year 5 Home Learning Area.

Y5 ENGLISH Days 1-10

(YOU DO NOT NEED TO PRINT THE ACTIVITIES OUT)

Memory Book

What a strange year this has been!
Although there have been many difficult moments, we want you to focus on the positives. Send us in your favourite memory from being in Year 5 – we would love to make a scrap book to remember all of the wonderful things we have done this year!

PSHE

September will come around quickly and soon you'll be in Year 6! Take some time and make a list of things you are looking forward to about Year 6 and a list of things that you may be worried about or questions you may want to ask. Once you've written your lists, you can talk to your parents about it or send it to Miss Doherty and Miss de la Perrelle, who can try to help.

Art

You may or may not know that we are losing Mrs Whiting! She has been amazing at teaching you Art this year.

We would love it if you were to use the art skills Mrs Whiting has taught you to create a beautiful goodbye picture for her.

Send it in and hopefully we can give them to her before she goes!

P.E:

Challenge yourself with our fitness circuit cards– start on Monday and make a note of how many of each exercise you can do, complete the circuit daily and check how much you have improved in a week– is your score higher than on the first day?

Or

Use our ball game cards to help you improve your catching and throwing skills.
