Year 3 'Tails and Toes' Investigation

Dear Parents and Carers of Year 3,

I am very excited to share with you that this term we will be having a secret Science investigation for Year 3 and their parents on the afternoon of Tuesday 19th October at 2.15pm. This will take place in the Hall and you should enter through the Hall doors which are accessed via the staff car park. This links with our topic 'Tails and Toes' and with the work we will be completing in English.

We would like to invite you to take part in supporting the children in this exciting learning opportunity.

It is going to be great fun and something that we are sure you have never experienced before! It will definitely be a memorable experience! We look forward to seeing you there.

Many thanks,

Y3 Class Teachers

Miss Preston and Miss Bridger
