Hopefully, the Christmas holiday will give everyone a chance to recover from the coughs and colds that seem to be around at the moment, and attendance will improve next year. Our attendance is currently just below the national average, but we have been above this year, which is excellent.

Absence lasting 3 days or more should be supported by medical evidence such as a copy of a prescription or confirmation of a doctor's appointment.

Proof of appointments that require early collection / pick up during the school day is also required.

A huge well done to Year 1 and Year 2 for their amazing performance this week! Everyone worked extremely hard, with great results. Thank you to everyone who came to see the performances —we hope you enjoyed it!

Unfortunately, still no class had perfect punctuality this week, and we had 40 children late this week. Please try to make next week a perfect punctuality week. You can sleep in for the next 2 weeks!!

If you find mornings stressful, why not try Gap Club's Breakfast Club? Let them feed and entertain your child before the school day starts For more information please see <https://thegapclub.com/>

Reminders....

- * With the dark mornings and evenings, please be even more careful when parking near the school. Please also be considerate of local residents too, as we have had complaints about access to driveways being blocked.
- * Please label all hats, scarves and gloves that the children wear to school.
