

Dear Parents

This week we have been consolidating the sounds we have learnt and practising blending them together to read simple three letter words. Any opportunity to practise this at home would be great.

The link below is a video showing how to do it.

<https://youtu.be/3ovJlxTQpsU>

Epic Phonics – Phase 2 reading machine

We will be sending home lists of words to practise next week instead of reading books.

There will be no phonics book this weekend.

We will be sending home a tricky word book. This contains words that the children need to know by sight when reading. They are mostly words that you cannot 'sound' out e.g. was. You will find instructions inside the front cover. Please keep this book in the children's bookbag along with their communication book and reading record.

Finally, each weekend the children will have a maths challenge to complete. These are open-ended so please feel free to extend your child if you want. We love to see photos or drawings if applicable.

### Homework timetable

Monday – change reading book

Wednesday- change reading book

Friday – change reading book

Friday- Phonics Books and Maths Challenge sent home to be returned by the following Wednesday

Tricky Word Book – another set will be added when we feel your child has mastered the current one. (These are checked weekly)

Have a lovely weekend

The EYFS Team

P.s Do not forget to look on Twitter at what we have been up to this week.
