

Ancient Maya

Year 6-Summer 1

By the end of the unit, I will be able to...

- To investigate where the Maya live.
- To explain what the significant events were in Maya's history.
- To investigate what Maya city-states were like.
- To use a range of sources to explore what the Maya invented - writing and numbers.
- To use a range of sources to explore what the Maya invented - calendars and accurate measures of time.
- To evaluate and identify what happened to the Maya city-state.

Historical knowledge

The achievements of the earliest civilizations - Ancients Egyptians. Know and understand significant aspects of the history of the wider world: the nature of ancient civilisations.
