

Start of Swimming

As previously mentioned, we have been watching the weather carefully in order to choose a good time to start our swimming season. We have decided to start the whole school the week of Monday 6th May, though of course this is a bank holiday and school is closed

Therefore the classes that are normally timetabled for a Monday (Y1SB, Y5TS) will have their lesson on Thursday 9th May just next week and then revert back to a Monday.

Please check the website for the previous letter explaining kit required and the swimming Health and Safety points, the letter was also emailed.

Please send back your child's competency slip if you have not already done so and we would really appreciate any outstanding contributions so that we can purchase chemicals and swim for the whole term.

Thanks for all your support so far and here's to a wonderful season of swimming
