

competition for Year 5 students

Welcome to Churchmead Church Of England (VA) School.

We are really looking forward to meeting you all when you start to tour secondary schools in September.

Taking the next step in your school life can be daunting, but here at Churchmead we aim to make the transition as easy as possible for you.

We hope the video on the next slide will give you and your families a sense of just how inclusive, vibrant and creative Churchmead school is. Please contact us when the current situation has eased and come and visit us for yourselves.
