School Recorder Lessons with Berkshire Maestros

Dear Parent/Carer

You may already have heard that your child is learning to play the recorder this year as part of the government-sponsored In2Music project for key stage 2.

Recorders are provided free of charge for all children to use in school. However, if you would like to buy your own recorder, we can supply them at cost price for £7 each. If possible, we would encourage everyone to have their own instrument, as children who are able to take their instruments home and practise between their lessons gain the most from the project.

If you would like to buy a recorder, please complete the online purchase page found at:

[www.berkshiremaestros.org.uk/buyarecorderorfife](http://www.berkshiremaestros.org.uk/buyarecorderorfife)

Once you have completed the form, we will arrange delivery direct to your child's school.

If you have any problems please contact us, rather than your child's school, and we will endeavour to assist.

With best wishes
