Dear Parents / Carers

Parents' / Carers' Evening Booking – Eagles & Robins

We are pleased to invite you to the first Parents' / Carers' Evening of the year on **Wednesday 19th and Thursday 20th November from 3:30pm until 6pm**. Parents / Carers of children in the other classes will have appointments on Tuesday 18th and Thursday 20th November.

You will be able to book your appointment slot online through our website provider eSchools by using your login details with eSchools that you have used previously to allow you to book for your child's Parents' Evening. We have included guidance on how to book an appointment and how to reset your password at the end of the letter! Log in details for new families will be sent home today. **Online booking will be available from 10.00am on Monday 10th November until 5pm on Sunday 16th November.**

Please note that slots are booked on a first come, first served basis. You will only be able to see your children's teachers' availability and the slots that remain available. If you would like any further assistance please visit the following link <https://academy.eschools.co.uk/users/parents/parents-evening-parents> or contact the school office after 9.30am and before 3.00pm.

The aim of the evening is to meet your child's teacher and gain an overview of how they have settled into the new school year, as well discuss as any specific help and support your child may be receiving.

- to discuss how your child has settled into the new class/year group
- to discuss how they are coping with learning both in the classroom and at home
- to discuss relationships in school with adults and other children
- to discuss ways in which you as parents / carers can support their learning at home
- to discuss other aspects of school life and your child's development

All appointments will take place in the school hall and will last 10 minutes. Please note that books will be available for this autumn meeting so children will have an opportunity to share their work with you. We really hope that you will be able to come and meet with your child's class teacher.

Mrs Khan (our Assistant Head / SENDCo) will also be available. If you would like to make an appointment with her, please call the office and we will schedule this in. In addition, there will be the annual data sheets to check and update, so please give yourselves some additional time.

Inclusive

Please be aware that we cannot be responsible for supervising your children whilst you are meeting with the teacher and ask that any children that come along to the Parents' / Carers' Evening wait with you and do not disturb the conversations that are taking place.

Yours sincerely
