Monday 8<sup>th</sup> November 2021

Dear Parents/Carers

The Singing Club children have been working incredibly hard to learn all of the songs in preparation for the Young Voices concert on Wednesday 19<sup>th</sup> January 2022. I am proud of how hard they are working and we are all very excited for the show. Further information about travel, costing and the t-shirt bundle packages will be coming out to you in the coming weeks.

Young Voices have released tickets for parents/carers to purchase at a cost of £23.00. Tickets sell very quickly and ticket orders must be placed through the school by **Monday 15<sup>th</sup> November 2021**. All tickets are allocated on a first come, first served basis. Due to the popularity of the concert, **no more than 2 tickets can be allocated to a family**. Please note there are no refunds available on tickets. Further information, including timings of the concert, will be updated on the Young Voices 'For Parents' section on their website <https://www.youngvoices.co.uk/for-parents/>. Public transport is the best way to travel to The O2 Arena as it is expected to be a very busy show. The children will be required to attend the event in the afternoon to rehearse in preparation for the evening performance and school are arranging and funding a coach for this.

If you would like to purchase tickets, please complete the attached form and send in cash, or a cheque made payable to Wraysbury Primary School, **in a sealed envelope with your child's name on, by Monday 15<sup>th</sup> November 2021**. We will be unable to accept any late payments and we cannot guarantee that there will be tickets available at a later date.

Kind regards,  
Miss Alexander
