# Autumn Born

## Transition Timetable

We would like to make your child's first few days at Wraysbury as calm and settled as possible and therefore will be staggering the intake on the first few days to allow for this. We have allocated different start times to different groups of children so that only a few children arrive at any one time. The class teacher and teaching assistants will then be able to spend more time talking to you and your child and settle them into the class. This is also to ensure we adhere to our risk assessment around COVID – 19.

If we feel your child needs more time to settle in, Miss Clark or Miss Hooker will come and speak to you, before your child starts full time.

If your start and finish time is after 9.00 and before 2.45 Please wait at the gate at the front of the school as this is the only gate that will be open.

Please do not come to the school site if you have any symptoms of COVID – 19 and please maintain good hygiene and social distancing.
