## Year 4 Favourite Food

Dear Parent/Carers,

As a stunning start to our next Geography topic 'Where does our food come from?', we are inviting children to bring a small plate of their favourite food into school. We will then research where the different food comes from so try to make the plate varied! Perhaps a favourite biscuit, piece of fruit, square of cheese etc. **No nuts or fizzy drinks allowed. Ideally, please bring the food on a paper plate, or a plastic plate which will be sent home with your child that day.**

The stunning start will take place on **Thursday 12<sup>th</sup> June 2025**. Please email the school office or speak to your child's teacher if you **do not** want your child to take part / have any queries.

Kind regards,

Miss Bridger & Miss Dally
