

# Wraysbury Wanders Year 5-Summer 2

<b>Geographical knowledge</b>	Children will use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies. They will use 4 and 6-figure grid references, symbols and keys to build their knowledge of the UK.
<b>By the end of the unit, I will be able to...</b>	
identify key features of the local area maps and aerial photos.	
use fieldwork to observe, record and describe the local area.	
explore how to use 4 and 6-figure grid reference	
create a simple map using symbols and a key	
collect and interpret data about people's views about our local area.	
identify what changes could be made to the local area.
