

'Wiz Wham Alakazam' Costume Suggestions Y4 Characters

We have provided suggestions to help with costumes for our play. Please be aware that our children are very good at sharing and often bring in costumes that would suit other characters, but obviously your help in providing costumes for your own child is greatly appreciated and alleviates the pressure on the teachers. Please do not spend large amounts on the basic costume as it may need to have things attached. Depending on the costume you need, sometimes Ebay can be a good source!!

We are always willing to help, if possible, and if you have any worries at all please let the class teacher know, as soon as possible and we will try to sort out a costume. We always have a limited number of costumes at school which may be adapted if suitable. However, please note we will be unable to offer assistance during the last week of rehearsals.

Where items are shown as 'provided', we are doing our best to source but cannot promise all items can be purchased.

PLEASE SEND FULL COSTUMES IN BY MONDAY 16TH MARCH AT LATEST, IN A NAMED BAG.

If you should happen to have a costume that would help another child, which you would not mind loaning, this is also greatly appreciated.
