Well done to Hedgehogs who had perfect attendance this week! Hopefully, we will have more classes achieve this before the end of term.

If your child will not be in school due to illness, please make sure you call the office before 8:45am, rather than emailing. Absence due to illness lasting more than 3 days, will require medical evidence. If your child is suffering from hayfever, please remember to administer antihistamine before school.

Motivated

Punctuality was much better this week, with only 23 children arriving late through the week, and 2 classes had perfect punctuality. Well done to Yr2 Squirrels and Yr3 Sparrows!

Being on time makes such a difference to the children's learning as they get to do their start of the day activities.

Reminders.....

- * All children are required to wear **black school shoes**, and not trainers.
- * Jewellery (except for religious reasons) should not be worn to school. Beaded bracelets, necklaces etc are not part of our uniform and should be left at home.
- * **No false or painted nails, or make up** are allowed in school.
- * Water bottles should be brought to school everyday. Bottles should be plastic with a sports lid, and contain plain water only.
- * Hair touching or past the shoulders must be completely tied back everyday. This is a safety precaution, and also helps prevent the spread of nits!
- * When the sun finally makes an appearance, please make sure your child has a named hat in school each day.
- * Lastly, we are a nut-free school.

School Meals

The lunch choices for week commencing **Monday 9th June 2025** are Week 1 of the Spring Summer Menu. Plain pasta is available on Monday, Wednesday and Friday, and jacket potatoes are served on Tuesday and Thursday. Both come with a selection of toppings. Please note that raspberry jelly will be served on Friday and not strawberry.

From 1st April 2025, School Meals cost £2.79 per day, and we ask that accounts are kept in credit. There is a reminder function that can be set up on the Scopay system, which will alert you if your child's balance falls below an amount set by you. The menu is available on the website. If you are able to make choices in advance (up to the night before), it saves the children time during registration, and you can also encourage your child to try something new!

Fundraising

Wraysbury Primary School

HELP US Make a Splash!

GOAL

GOAL

Wraysbury Primary School are excited to announce our latest fundraising campaign to enhance our school's swimming pool facilities, ensuring every child benefits from a safe and enjoyable swimming experience. The current swimming pool is at risk of closing unless we undertake essential upgrade works. Plus it has a special Birthday this year as it is 50 years old! If you are able to make any donations big or small to support your local village school we would very much appreciate it! 😊

SUPERKIND PAGE

Our Pool is open and we have had our first week of swimming!

Hopefully, all of the children have enjoyed their first swimming session in the refurbished pool! Although the weather was not kind to us on some days, all the lessons have gone ahead and the children have had a wonderful time! Fingers crossed for sunshine next week. We are reliant on parents and carers making the £26 contribution in order to pay for the staffing costs, the chemicals and the heating costs. If you haven't made the donation yet, perhaps because you were waiting for the lessons to be underway, then please can you do it this week. Budgets in schools are incredibly tight and we do not receive any additional funding for the pool. We have pledged to give every child lessons every year and it is a wonderful facility but we do rely on parental support. Thank you for helping us.

The donation is separate to the fundraising we are doing for the refurbishment work, so if you are able to make an additional donation towards the refurbishment, please scan the QR code opposite, or contact the school office. If you know of any company who may be interested in supporting us, please put them in touch.

Later in the term we will be inviting you in to watch your child's lesson, more details to follow.

We're encouraging all parents to + Think Pharmacy First

Earache
(Children
aged 1 to 17
years)

Did you know that community pharmacies can now offer clinical appointments with medication available (if required) for **five clinical conditions** particularly relevant to school age children?

- Ear ache (children aged 1-17)
- Sore throat (over 5s)
- Infected insect bites (over 1s)
- Impetigo (over 1s)
- Sinusitis (over 12s)

GP practices are busy and making an appointment with them is not always necessary!

When your child is ill with any of these conditions, head straight to your local community pharmacy where you can have a consultation with a trained clinical professional and receive advice, guidance and even medication if it's needed. Let's get your child on the road to recovery as soon as possible.

Infected Insect Bite
or Impetigo
(Children and adults
age 1 and over)

The majority of Frimley Health and Care community pharmacies offer the Pharmacy First service.

Remember – if your child has an ear ache, sore throat, impetigo symptoms or a suspected infected insect bite think **Pharmacy First**.

For more information visit:

Sore throat
(Children
and adults
age 5 and up)
