Dear Parents

Wraysbury School Choir have been offered the exciting opportunity to sing at the Royal Albert Hall on March 11<sup>th</sup> 2019 as part of an event called 'Music Leads the Way' involving around 1800 students from across the county. We will be performing songs from a production called 'RATS!', which is based on the story of the Pied Piper of Hamelin.

We have been offered 20 places for children in Year 5 and 6. The rehearsals will be starting shortly during a lunchtime but as we get nearer to the event there will be rehearsals after school.

Please ensure that your son/daughter would be available on the date in March before committing your son/daughter to being in the choir.

Please return the slip by Monday 24<sup>th</sup> September so that we can see who wants to be considered. Names may have to be pulled out of a hat if there are more children than places.

Many thanks

Mrs. R Saunders
