

25th – 29th November 2019

Our school will be hosting a scholastic book fair every day after school from Monday 25th – Friday 29th November. The book fair will be open in an Upper Junior classroom during parent's evening on the Monday and also during the Key Stage 1 Book Café in the main hall on the Friday morning. This is a perfect opportunity for you to begin your Christmas shopping early, whilst earning money for books for our school too.

This year, you will be able to make payment for your items by telephone banking if you prefer. All you will need is your own bank details and the school's unique customer ID number. Once you have paid you will be given a transaction code which you then give to the school to receive your books. It couldn't be easier!

If you have any questions, please speak to Mrs Broadway.
