Keep reading daily everybody!

- Can you choose a new genre of book which you haven't read before?
- Could you maybe read a book by an unfamiliar author?

As a school we use White Rose Maths materials to support our teaching. They have kindly created lessons for you to use at home. Each lesson features a short video presentation. **The activities are not available on the website but in the Year 5 Home Learning area, there will be activities relating to each lesson.**

Please attempt: **SUMMER TERM WEEK 4 w/c 11/5/20**

(Don't worry about the dates)

Wraysbury's World Tour

If you took part in Wraysbury's World Tour, you'll know how interesting it is to find out about other countries.

We would like you to choose a country (maybe one that you saw on your tour or a country that you find interesting), do lots of research about that country and use it as the setting for a fantastic adventure story.

Your character/characters could either just be visiting or could be from the place you've set your story in.

Plan it very carefully and make sure you show off everything that you have learned.

We have got writing mats to help you in the Year 5 home learning area. Send us in a copy of your story!

English

Please work through the activities in the Year 5 Home Learning Area.
